What's New in Brand Expand

The Latest Innovations to Power Your Growth

Product Updates & Release Notes: November 2025

★ What's New This Month

💡 Cleaner, Simpler Pricing Experience

We've redesigned the Pricing Page to make plan selection faster, clearer, and easier to understand.

✂️ **Cleaner Layout:** It's much easier to browse now. You can see more plan details at once without all the extra scrolling.

📖 **Simpler Plan Descriptions:** Each plan is explained in a quick, easy-to-read summary so you can find the best fit right away.

🔄 **Premium Monthly/Annual Toggle:** Switch between monthly and annual pricing with one tap and instantly see how much you'll save.

⚡ **Faster Checkout:** Sign-up buttons are now right where you need them, at the top and bottom, so getting started feels smoother and quicker.

💰 **Clearer Revenue-Share Info:** Your pricing is laid out in a simple, upfront way so everything makes sense from the start.

📋 **Updated Feature List:** Features are organized in a cleaner layout with easy checkmarks so you can compare plans without the guesswork.

🔗 **Enterprise Plan Inquiry:** We now have a simpler way for you to explore the Enterprise plan. If you're curious about whether it's the right fit, book a call and we'll guide you through the best path to scale. 📞 [Book a Call](#)

🔍 Why It Matters

These updates make choosing a plan feel easier and more intuitive. You can understand your options faster, compare plans without stress, and check out with fewer steps. Everything is clearer, smoother, and built to help you pick the plan that supports your goals with confidence. 📞 [Find the Plan That Fits You](#)

📁 Where You'll See It

- [Brand Expand Pricing Page](#)
- The updated Enterprise Contact Form
- Updated comparison tables in marketing emails and product pages

Stay tuned for even more innovations in December.

Product Updates & Release Notes:

August 2025

Your competitive advantage just got stronger.

We've been busy building the features you've asked for. The latest updates are here to transform how you launch, manage, and scale your campaigns, faster and with less friction.

Interactive Dashboard Tour

No more guesswork. New sellers get an intuitive, step-by-step guided onboarding tour, from product import to your first successful campaign launch.

Affiliate Infrastructure Expansion

Drive sales with ease. Launch revenue-based affiliate programs that pay commissions based on sales performance.

ACH Auto-Reload for Wallets

Stay in the game 24/7. Automatically top up your wallet when it hits a minimum threshold, with built-in safety controls so you never pause a winning campaign again.

And More

Performance enhancements, smarter analytics, and additional partner integrations designed to keep you ahead of the competition.

Why This Matters

These aren't just features, they're your competitive advantage.

Keep an eye out, more exciting features are coming soon.
